## Things you need to know:

1. It's a salt water pool - easier on dog's coats. I spray some conditioner on the dogs before swimming to help protect the coat.
2. Bring water shoes, chair, drinks, sunscreen, sunglasses, towels, change of clothes for yourself:
3. You can get in the pool, there is a ramp and regular pool steps/ladder.
4. Bring crate, towels, floating toys, a leash and collar you don't mind getting wet, drinking water for your dog.
5. There is a water hose to rinse off your dog.
6. Pool area is completely fenced.
7. No more than 5 dogs in pool at one time.
8. Don't take wet dogs in the store.
9. Rucker's website: <http://ruckerpet.com/index.php/our-stores/horse-a-pet>
10. Rucker's sells life jackets. I will have a couple for you to use and try before you buy.
11. And MOST IMPORTANT - make sure that your dog KNOWS where he can get OUT of the pool.
