Doggie Adventure Day!

An American Kennel Club "Try-It" Dog Sports for Youth Community Event

Available Sports — four hands-on stations

- **Conformation / Jr. Showmanship:** Live demonstrations and hands-on experience showing a dog. Dogs are measured by how closely they conform to the standard of their breed, and you'll learn to show your dog's best attributes. Junior handlers are judged on how well they present their dog in the ring — and your vet will appreciate a dog that's trained to be touched.
- **Scentwork:** Introductory demonstrations and beginner training techniques. Dogs search for cotton swabs scented with essential oils hidden out of sight, then alert their handler at each find.
- **Tricks / CGC:** Interactive sessions teaching your dog 1-2 new tricks, plus a few Canine Good Citizen® exercises. AKC Trick Dog builds a series of tricks with increasing difficulty; the CGC program is a 10-skill test that teaches good manners to dogs and responsible ownership to their people.
- **Rally:** Try your hand at a mini Rally course with guidance. Dogs and handlers navigate a timed course of 10-20 signs, each one directing the next skill to perform.

Plus "Meet the Breeds" — explore different dog breeds with the people who know them best. **All breeds welcome!**
