

Sheltie Rescue of GA, Inc. cordially invites you to our annual BBQ

We are always looking for new volunteers, so bring a friend, too!

Sign in will start at 11 am, lunch will begin about 12 pm.

SRGA will provide Smoked Pulled Pork, Chicken, Buns, Water, Tea, Lemonade, plates, cups, paper products and utensils.

If you wish to bring food to share, plan on a small portion.

Due to the inclement weather, the event will be held inside a private hangar with access to a fenced yard. Dogs are still invited, but please keep a close eye on them so they don't damage the airplanes that are pushed off to the side.

Please wear non slip shoes because the floor is slippery when wet!
