

# SSCGA May Annual Meeting:

**When:** Sunday, May 17th, 1:00-4:00pm

**Where:** Nancy Ager's Home, 750 Cheatham Hill Trail, Marietta

**Note:** In the event of rain, no dogs

**Event:** Annual Meeting, Awards, Social and Play

**Food:** The Club will provide **main course, drinks, and bottled water**

**What you can bring to eat:** Bring a side dish, snack or dessert – pot luck style. Please let Janet ([calpinj@bellsouth.net](mailto:calpinj@bellsouth.net)) know what you are planning on bringing. She will keep a “menu” so we don't end up with 30 potato salads

**Parking, traffic flow and more info:** Nancy has a long, straight entrance driveway, and you can park on either side or park along the road out front, just don't block the driveway anywhere. People will be coming and going. As you proceed towards the house, there is a horse arena on your left, that is now a dog yard (SHELTIE play zone!). Please keep to the RIGHT and continue COUNTERCLOCKWISE around the play zone if you don't park before. There are honeybee hives in the back right corner. Please try to avoid them – they won't hurt anything – just wouldn't hang out with them. There will be some parking in the barn area at the back of the property. **DO NOT BLOCK THE DRIVEWAY.**

If the weather cooperates fully, we will probably meet in the area under the trees in front of the house. It's likely to be warm, so the pool area might be a bit too hot. Bring a chair if you can.

**If rain is in the forecast,** no dogs, please. Instead, you can socialize with Nancy's Chow Chow!

Food will be inside for self-serve buffet-style (and no bugs), but we expect to eat and meet outside.

**VERY IMPORTANT:** Driveway GATE etiquette: please keep the gate closed (especially after everyone arrives). We don't want to lose any Shelties.

Be careful getting dogs in/out of play yard. Watch your own dogs, but let them play! It might be a bit muddy in places, so dress code is “farm wear casual”!
